Yearly Assessments

Everybody should have received their yearly assessments in the mail with fees due by March 31. We added the proposed budget for everyone to review and provide comments, opinions and suggestions for the board to review and consider. There are a few ways you can provide your feedback; 1) respond when you send back your assessment; 2) [Email](#) Jim; 3) attend the March Board Meeting. The final review and approval for the budget is planned for the April 6 Board Meeting.

Board Elections

There are two Board positions up for election this year and the Nominating Committee is currently seeking Board membership nominations. Please [Email](#) the board with any nominations or send them in with your assessments to P.O. Box 826 Arnold, MD 21012. Nominations will close on April 1 in order to prepare for the annual meeting. If you have any questions, please contact anyone on the Nominating Committee (Amanda Curry, Ellen Henschel, or Mark Saperstein).

Snow Removal

As a reminder, it is the responsibility of all homeowners to remove all snow and ice from their sidewalks following any storm. We want to keep the community safe for everyone.

Front Entrance Update

We met with the contractor on Thursday 2/18 and decided on the material, font and size of the lettering. They are estimating a week for the materials to come in and will be out with his team to complete the project as soon as they receive the materials. The remaining steps include; placing the lettering on the structures, cleaning the south side monument, and adding/ removing any dirt and materials to each side to make them even. As you can see from the budget, we have additional money available to hire a landscaping company to come in and design/ complete the landscaping; this portion will be completed once the weather starts to warm up.

Community Events

Thank you to everyone that donated items to the Anne Arundel SPCA. It's a worthy cause and great to see so many donations. The next event being planned is the Easter Egg Hunt on March 26. The Entertainment Committee will share more details as we get closer to the date.

Traffic Committee

Thank you to Amanda Curry, Rob Mahoney, Joseph Davis, Mike Saperstein, and Mike Nolle for volunteering for the Traffic Committee. They met with the Jim Schroll of the AA County Traffic Department on Feb. 8 and they will be placing counters in the neighborhood in April and May to survey the amount of traffic and speed in the community. Once all the data is collected, they will meet again to review the information and comprise a plan going forward.

Board Meeting

The next board meeting will be held on March 9 at Broadneck Library.
