

Newsletter July 1 - September 30, 2018

board@foxmoorassociationinc.org

Tot Lot Improvements:

Work will begin on expanding the tot lot play area (the are with the wood chips) on or around July 9, 2018. We received 2 bids from 3 companies. Contract has been approved.

Once that work is done, a new asphalt walkway will be created. The asphalt will go up the middle of the tot lot and stop at the edge of the new play area. We received 2 bids from 3 companies. Vendor has been approved.

The next phases of improvement:

Purchase and place new play equipment to compliment what we already have. Special attention will be placed to rules and regs regarding additional equipment to remain compliant with ADA.

Purchase and place 2 additional picnic tables to add additional seating and enjoyment.

Fix areas of fence that need it.

Landscape the remaining areas.

All contracts will be bid, reviewed and approved. If you'd like to have input on the remaining parts of this project, please come to the HOA Board meetings.

Events Upcoming:

We will try and have a few more movie nights throughout the summer and fall. Please check the website for finalized dates.

We are planning on having an August or September HOA board meeting, but not both. The meeting will more likely be in September.

The Foxmoor Golf Outing will be on a Monday in either September or October when the weather gets a little cooler. The cost will be between \$55/player and start at 9am. The cost will include a sleeve of golf balls, buffet lunch, round of golf, cart, tees, an additional round of golf (minus cart fees), and some small prizes. The idea at the moment is to pick teams out of a hat and do a scramble. This will give people an opportunity to meet more neighbors rather than submitting entries as a team. A specific date will be announced in the coming months via website and Facebook. Please check the website for updates.

Front Entrance Landscaping:

As of late, the board's plan for the front entrance landscaping has been to plant items in the spring for the spring/summer, and then a new planting in the fall. We've added weeding and maintenance of the front entrance signs into our lawn contract this year and it's made a world of difference in the clean look of the front entrance. Our spring/summer landscaping for the front entrance has held up well with the rain and then subsequent dryness/heat.

In the fall, we'll be looking to replace the flowers/shrubs with some fall plants like mums. If anyone has expertise in pretty fall shrubbery, please come to a board meeting or email the board at board@foxmoorassociationinc.org.

Committees:

As of right now, we only have 2 committees. The entertainment committee and architectural committee.

The entertainment committee helps put on the social events (movie night, easter egg hunt, halloween parade, annual party, holiday party, holiday lights competition, etc). Members of the entertainment committee not only make decisions on which events to hold but also volunteer their time to make sure the events go off without a hitch for everyone's enjoyment. There is a time commitment but it's a worthy endeavor. There has been thoughts of splitting this committee into 2. One for kids and one for adults. But we haven't done so due to lack of interest from community members to serve on committees.

The architectural committee makes approval/denial decisions on home improvement/change requests. The 3 gentlemen have been serving for quite some time. If you'd like to help out and serve on the committee, please let us know.

If you have any ideas for additional committees or are willing to help out with other items for the community, please let us know via email or personal message.

Other Items:

If you have any ideas or suggestions, please email the board or come to a board meeting or feel free to get in touch with us individually. Board email: board@foxmoorassociationinc.org
