Committee Update

Front Entrance Update

After meeting with three general contractors, we have signed a contract with Steven's Contracting & Restoration out of Severna Park to complete the front entrance. They will begin work on Monday Dec. 14 and expect to be completed within three weeks.

During this time, we ask everyone to be careful when walking near the construction, especially the children and parents waiting for the school bus. We would like to thank the Front Entrance Committee, Bob and Teri, for all their hard work during this process. If anyone has any questions, please contact the board.

Traffic and Entertainment Committees

During the recent Board Meeting with have adopted the Traffic and Entertainment Committees with Amanda Curry being the lead. Thank you to all the volunteers for supporting these committees.
